MEMORANDUM FOR: Special Assistant to the Director, National Photographic Interpretation Center

THROUGH : Deputy Chief, Research & Engineering Division, TSSG

SUBJECT : Transmittal of Codeword Material to Contractor

1. Under Contract [] is performing a Chip Implementation Study for the Center. In order to do an effective job in this area, it is felt necessary that [] personnel associated with the effort be afforded all the background material that can be made available to them in the way of studies that have been performed, in-house efforts, management policies within the Center and like information.

2. To accomplish this, a number of documents -- mostly of historical nature -- have been assembled to forward to [] on a sixty day loan basis. A part of this package is the "Final Report -- Pre-processed Cut Film Study -- May 1969" [] Report) and the "Final Report -- Pre-processed Chip Evaluation Report, May 1969," [] Report) which are understood to be internal Center reports.

3 It is desired that [] be afforded the privilege of being loaned these documents for perusal as being indicative of some of the past Center efforts in the Chip area.
